## **LMS SPORTS MEDICINE SERVICES**

Lexington Middle School shares an athletic trainer with Lexington Senior High School. The Athletic Trainer will be available upon request..

## **SAFETY PROTOCOLS INCLUDE:**

- Screening of athletes will be completed by the Coaches and Athletic Director.
- The use of hand sanitizer or washing upon entry and exit of the facility.
- The athletic trainer will wear appropriate PPE, including masks.
- Students will need to enter the front door and exit from the rear door.
- Doors will remain locked and signs will be posted to remind of PPE and sanitation requirements.
- In-season athletes will be given priority for rehab and treatment times to reflect their practice/competition scheduled. Out-of-season athletes will need to make an appointment via email or Coach.
- No outside visitors, unless they are essential to care and screened. This includes parents and coaches.
- Opposing teams will not have access to the Athletic Training Room for anything outside of urgent or emergent injury.

## **DISTANCING PROCEDURES:**

- Where needed, furniture will be moved or blocked off to help ensure proper distancing.
- Signs will be posted and verbal reminders will be given to remind athletes of social distance.

## **HYDRATION FOR TEAMS:**

Hydration services will be much more limited than in the past. For inside and limited contact sports, teams will rely on players bringing personal water bottles. There will be limited availability for refiling to occur so insulated containers of 64 oz. or greater are recommended.

## **TREATMENT PRECAUTIONS:**

- Both clinician and patient will be required to wear masks for the duration of the visit.
- Disposable gloves will be worn when evaluating or treating athletes and hand sanitization will be utilized between patients.
- Athletes will be required to wash hands upon entry to the AT Room.
- Athletic Trainers will sanitize tables and equipment between patients.

**CARE FOR INDIVIDUALS EXHIBITING COVID-19 SYMPTOMS:** When screening, it is entirely likely that some individual will present with symptoms. In this case, the athletic trainer will initiate all necessary steps to respond. This includes alerting the proper personnel for contact tracing of the infected person.

# LMS COVID-19 ATHLETIC GUIDELINES

## **POSITIVE RESPONSE TO SYMPTOM SCREEN**

- Athletes or staff members will be referred to their Primary Care Physician.
- Positive cases will be reported to the county health department via the school nursing staff, who will assist in contact tracing and school reporting.

## **CONTACT TRACING**

- Rosters and practice plans will be utilized to identify those individuals that may have been exposed.
- Exposed individuals will be notified of their exposure and then advised to quarantine themselves.

## **RETURN TO SPORT OR PLAY**

**According to NCHSAA any athlete being treated or monitored for COVID-19 will need written clearance from their treating physician. This clearance *MUST* include explicit language regarding their participation in athletics. See Forms Below.**
